The use of a local exhaust ventilation system is not required under normal conditions of use.**Personal Protection Equipment****Gloves:** Not normally required. PVC or natural rubber is recommended when using concentrated product over extended time.**Eyes:** Not normally required. The use of safety shields is recommended when using concentrated product if splashing is likely.**Respiratory Protection:** Not needed under normal conditions of use.**9. PHYSICAL AND CHEMICAL PROPERTIES****Appearance:** Cloudy brown colour. Light pleasant odour**Vapour Pressure:** Unknown**Solubility in Water:** Completely miscible in all proportions**Flammability Limits:** Not applicable**Boiling Point:** Near 100°C**Specific Gravity:** 1 to 1.01 @ 20°C**Flashpoint:** Not applicable, water content interferes with flash point**pH:** 8 – 9**10. STABILITY AND REACTIVITY****Stability:** stable under normal conditions of use.**Hazardous decomposition products:** carbon monoxide and other unidentified organic gases may occur during incomplete combustion.**Incompatibilities:** Strong oxidizers.**11. TOXICOLOGICAL INFORMATION**

There is no toxicological information available for this product.

12. ECOLOGICAL INFORMATION

There is no ecological information available for this product.

13. DISPOSAL

Dispose of container and unused contents in accordance with government requirements.

14. TRANSPORT INFORMATION**UN Number:** None allocated**Dangerous Goods Class:** None allocated**Packing Group:** None allocated

Not classified as a Dangerous Good according to the Approved Carriage List. Not classified as a Dangerous Good according to the UN, DOT(US), ICAO(IATA) or IMO(IMDG)

Proper Shipping Name: None allocated**Subsidiary risk:** None allocated**Hazchem Code:** None allocated**15. REGULATORY INFORMATION****Poison Schedule:** None allocated **Risk Phrases:** None allocated **Safety Phrases:** None allocated**16. OTHER INFORMATION****Contact Point** RICHARD EDWARDS, CONSULTANT Tel: 08448 009 350**Disclaimer:** The health hazards given in this Material Safety Data Sheet apply to this product in its concentrated form and may differ significantly at use dilution. The signs and symptoms of overexposure apply only to negligence in handling or misuse of the concentrated product and not to the routine exposure to the product, if diluted, under conditions of ordinary use.

Follow good working practice: handle with care, avoid ingestion, inhalation, eye or skin contact. Since we cannot anticipate or control the many different conditions under which this information & our products may be used, each user should review these recommendations in the specific context of the intended application & confirm that they are appropriate.
